

### **REMARKS**

This application should be in condition for allowance for the reasons set forth in the Reply filed on November 18, 2008. However, because no action was taken by the USPTO until the statutory due date of 6 months from the mailing of the final Office Action, applicants herewith file a Notice of Appeal with the required extensions. A timely expeditious act on this application is respectfully and courteously requested.

Additionally, a typing error is corrected in claim 1. As explained in the last reply, the subject matter of the allowed claim 18 was maintained only. However, by a typing error the term "figure of" was left out when incorporating the features of claim 18 into claim 1.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
